

2013 Masonite

coastal door

collection

 *Masonite*[®]
the beautiful door™

safety
security
peace of
mind

Living on the coast is one of life's luxuries. Upgrading home construction in areas prone to high winds and hurricanes provides peace of mind during times of severe weather activity.

Masonite engineered its Coastal Collection of impact-rated fiberglass and steel doors to meet strict building code requirements without compromising beauty.

The Wind-Borne Debris Region and High Velocity Hurricane Zone (HVHZ) have specific test requirements for doors.

- Wind-Borne is defined as 140 mph winds or 130 mph within 1 mile of the coast line
- HVHZ is specific to hurricane rated winds in Florida's Dade and Broward counties

designated zones

1 wind-borne debris

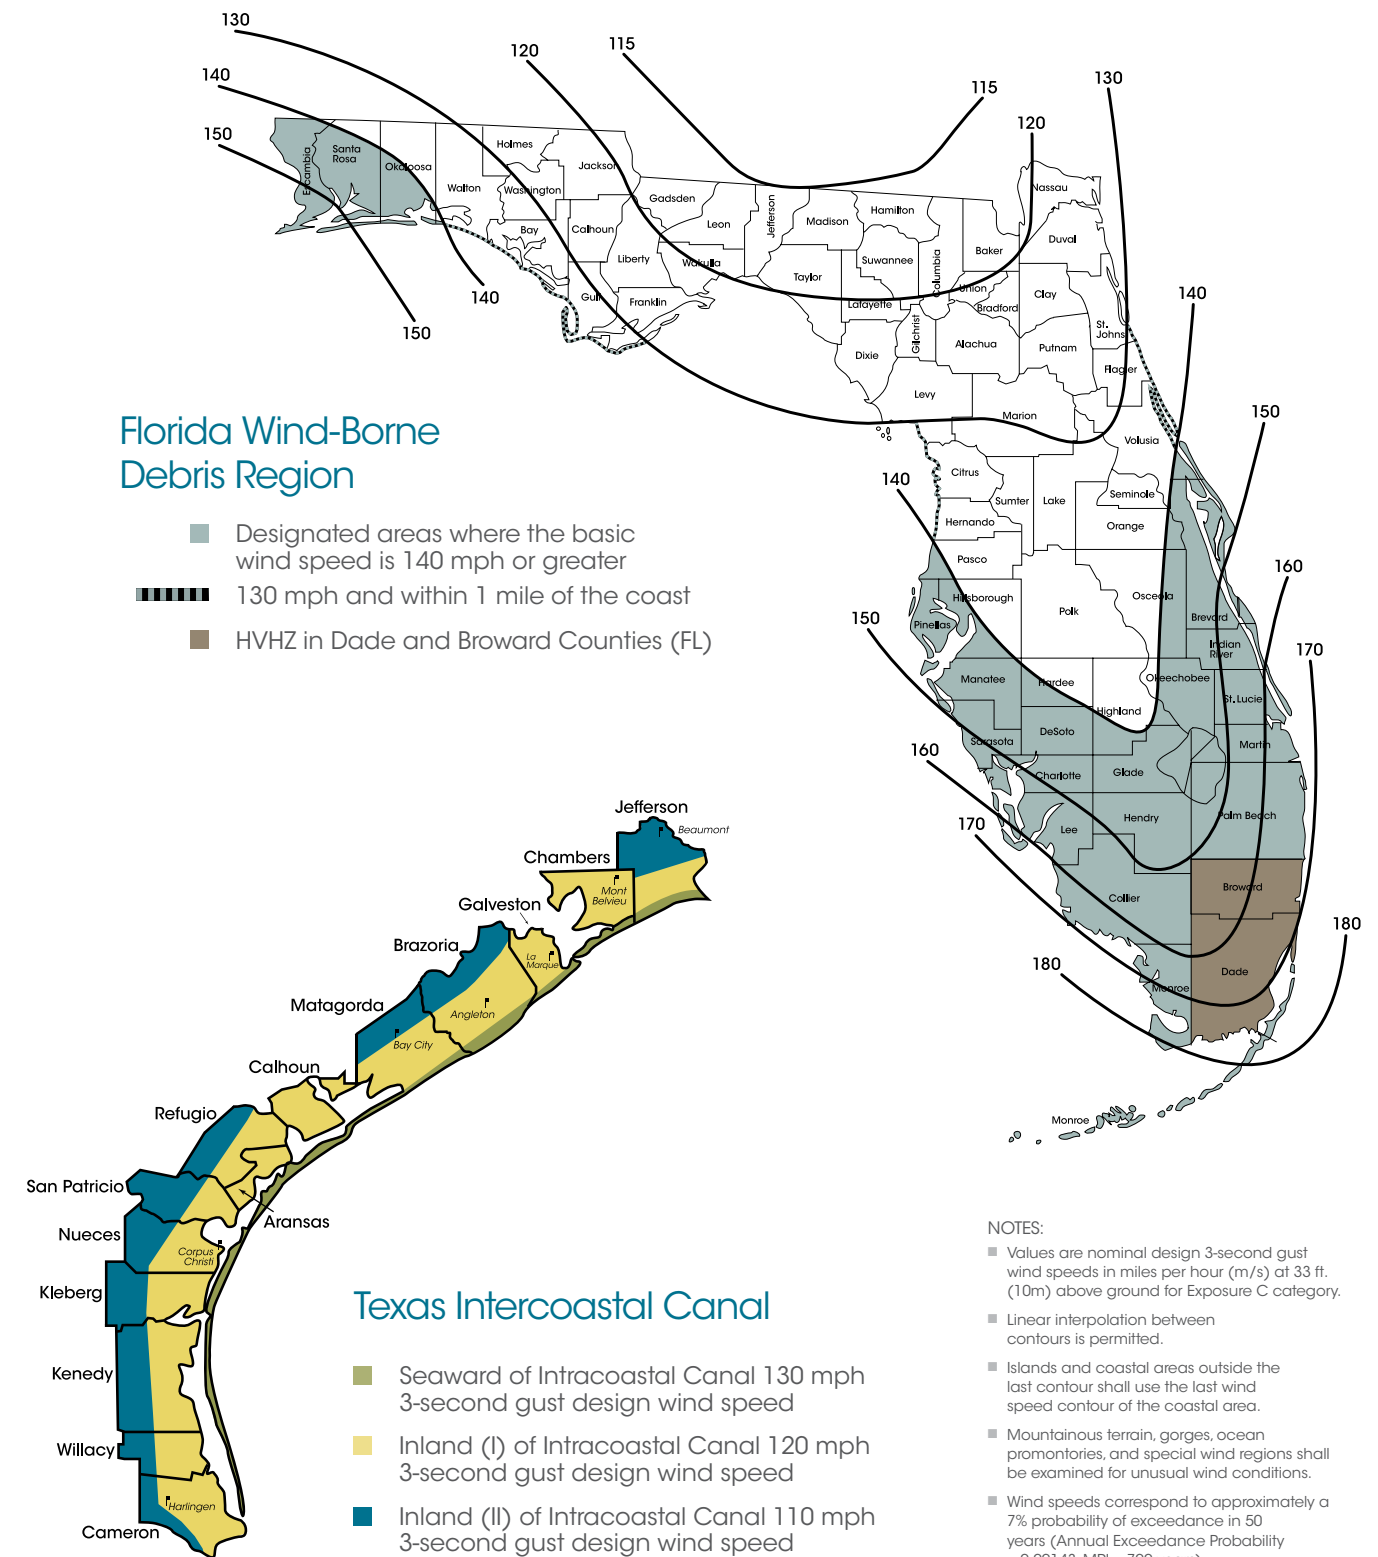

- Winds from 140 mph and above, or 130 mph within 1 mile of the coast
- Doors required to meet ASTM E1886 and E1996 tests
- Must comply with specific DP ratings in accordance with ASTM E330

2 high velocity hurricane zone (HVHZ)

- Dade and Broward counties (FL)
- Doors required to meet Florida TAS 201 and 203 test standards
- Must comply with specific DP ratings in accordance with TAS 202

hurricane prone regions

impact-rated doors

the better door for severe weather

Masonite offers a variety of impact-rated doors that will provide protection for your home from hurricanes and severe weather conditions. Choose from a variety of fiberglass and steel doors. All doors are designed specifically for coastal area homeowners and comply with high velocity hurricane zones (HVHZ) or wind-borne debris codes.

Standard Features on All Doors:

- Customizable with your choice of panel and certified impact-rated glass designs
- Engineered to meet test standards
- Glass sealed units feature 1" insulated triple-pane glass inserts
- High-definition panel profiles enhance architectural appearance
- 6'8" & 8'0" heights

FIBERGLASS

Belleville® Woodgrain Textured – Oak, Fir & Mahogany

Masonite's commitment

At Masonite, employees from all parts of the Company – sales, marketing, research and development, customer service and manufacturing – understand that people love their homes. In the past, homes were purchased to meet functional needs. Today, homes are purchased to meet specific lifestyles and to satisfy the need to create multiple living environments within a single home. To meet these lifestyle needs, Masonite is continually creating new and innovative products that will make every home more beautiful, more valuable and more enjoyable. With the ultimate goal of adding beauty and value to every home, Masonite's products are designed and constructed to exacting standards and specifications. All materials – wood, fiberglass, steel or composites – are engineered and carefully selected to ensure lasting durability and performance. For individuals who are building, renovating or redecorating, Masonite products are certain to beautify and accentuate a wide array of architectural home styles.
